

Baby Sitting Has Its— DON'TS and DO'S

There seems to be quite a difference of opinion today between baby-sitters and parents as to what constitutes good baby sitting. Among those trying to do something about the problem is baby-sitter Peggy Psola, 543 Chestnut street, who has outlined some "do's" and "don'ts" for other members of the baby sitting sorority. Aided by two of her charges, Janet and "Pete" Peck, the children of Mr. and Mrs. Clarence Peck, 512 Chestnut street, she illustrates some of them in these pictures.

Don't just sit around reading and smoking cigarets all evening without taking a look at the children once in a while to see that they are all right.

Read to the children awhile from some of their favorite "literature" and help them pick up their toys before going to bed.

Don't let the children play with such things as butcher knives and fountain pens while you eat all the cookies, cake and other foods you can find.

They will sleep better if they are clean, so wash their faces and put them to bed yourself.

Phoebe Leader, 548 Chestnut street, and "Nickie" Yanness, 523 Chestnut street, help Peggy point out that you don't invite your friends in for the evening and keep the children awake by playing the radio.

After the children are in bed, step quietly into the bedroom once in awhile to see if they are sleeping. Primarily, a baby-sitter should have a liking for children.

COURT WARNS OF INJUNCTION IN WATER DEAL

Stockholders and Bank Must Show Cause for Not Turning Over Stock

If the stockholders' committee of the Pottstown Gas and Water company and the Security Trust company, its escrow agent, cannot show sufficient reason why they should not be enjoined to turn over the stock of the company to the borough, together with an indemnity bond to protect the borough from any liability for taxes on other claims which may be levied against the property, the Court of Common Pleas will issue an injunction requiring them to live up to their agreement.

This was the import of a preliminary decree issued by Judge William F. Dannerhauer yesterday, after he had entertained a bill in equity submitted to the court by the Pottstown Gas and Water company, through C. Edmund Wells, borough solicitor, and Joseph L. Prince, and Julian W. Barnard, borough attorneys.

Returnable this afternoon at 4 o'clock, the decree asks the stockholders' committee and the Security Trust company to show cause why a preliminary injunction should not be issued by the court.

The action taken by the borough yesterday was an effort to break the stalemate brought about by the collapse of the transfer of the water company stock to the borough the past Wednesday.

At the meeting to transfer ownership of the company to the borough, Wells asked for proof that the borough would not be liable for taxes, as stipulated in the original sales agreement.

Attorney Victor J. Roberts, representing the stockholders, suggested that the escrow agent, the Security Trust company, withhold from the sales price enough money to guarantee payment of possible taxes.

The bank, however, represented by Carroll L. Rutter, claimed that this was impossible, since a price of \$107.60 was set for each share. He claimed the bank could not legally withhold any of that amount.

Internal Revenue department had been asked to pass on the tax question, but since no ruling had been received at the time of the meeting, the sale procedure came to an abrupt halt.

In the bill in equity filed yesterday, the court was asked to take and retain jurisdiction of the case until a final determination of the entire controversy has been made.

The bill also asked that the defendants be enjoined from disposing of the stock.

Johnson was arrested 11 hours after the body's discovery by Pottstown Patrolmen Paul Bridgeman and Stanley Borow outside a High street taproom there and was turned over to Berks county authorities.

Berks county detectives said Johnson had worked with Haney on a Reading railroad section gang in Monocacy for two weeks, and on June 16 had purchased a train ticket from Birdsboro to Pottstown.

Before today's two court sessions were over, nearly 70 prospective jurors had been dismissed on grounds ranging from farm duties to pregnancy.

Robert G. Bushong challenged several after they had replied affirmatively to the question: "Are you opposed to excessive drinking?"

Johnson answered not guilty in a firm voice to Judge Warren K. Hess when arraigned for murder and for murder in perpetration of robbery. Neatly dressed in a gray suit, Johnson sat impassively through the empaneling. His mother, Mrs. Joie Johnson, who had come

Plans for the commencement exercises of the Pottstown Hospital School of Nursing were advanced at a dinner meeting of the board of trustees, held in the hospital at 6:30 o'clock last night.

A. C. Seawell, administrator, announced that Dr. Charles S. Swope, president of the West Chester State Teachers college, would be the guest speaker.

The exercises will be held in the Junior high school auditorium at 8 p. m. Oct. 3, with Charles L. Schulz, president of the board of trustees, in charge.

Mrs. Harold Cadmus, president of the Senior auxiliary, will present awards to outstanding seniors, and Miss Ruth Benfield, directress of nurses, and Samuel Keiser, member of the board, will give out pins and diplomas to the graduates.

The master plan committee will hold its first meeting in November at the Brookside Country club. Seawell said. This committee, composed of borough and county men, as well as members of the medical staff, will act as an advisory board for the hospital's expansion plans.

The board voted to send Seawell to St. Louis to attend two conventions. He will leave Thursday evening and return Oct. 1.

Widespread Damage Caused by Lightning As Storm Hits Area

A violent thunder and lightning storm ripped through southeastern Pennsylvania yesterday, striking Pottstown shortly after noon, and causing widespread property damage.

The cloudburst brought only temporary relief here, as the thermometer dropped from 80 degrees to 73 within an hour but started to rise again in the afternoon.

According to Charles S. Ling, Reading weatherman, the humidity was 88 percent before the storm and 83 afterward.

So sudden was the downpour here that women had no time to bring their Monday wash in from the lines. Gutters ran over as winds helped lash the rain furiously across the town, and cars ploughed through inches of water, sending up huge waves of spray on either side to inundate the already soaked passersby.

A second meteorological phenomenon came over Pottstown last night, as an unusually fine display of Northern lights lit up the skies beginning approximately at 8 p. m. Cloud formations toward the North partially obscured the lights, but even the dimmed effect was spectacular.

Another thunderstorm gave the Pottstown area another soaking shortly after midnight last night, but there was no heavy lightning that accompanied the earlier blast.

Hilary Missimer, manager of the local branch of the Philadelphia Electric company, reported that a few complaints of power failures were received during the storm, but (Continued on Page Six)

Rail Worker Goes to Trial For Murder at Monocacy

READING, Sept. 15—Trial of Cleith L. Johnson, 23, St. Louis, Mo., charged with the robbery-murder in Monocacy of fellow railroad worker Frank Haney, 40, New York City, opened today in Berks county courthouse with selection of a jury of six men and six women.

Assistant District Attorney James P. Marx said he would ask for a first degree murder conviction, but would recommend life imprisonment. Marx said the prosecution would begin and end its case tomorrow. The decision is expected to be in the hands of the jury by Wednesday night.

Haney's body was found June 16 by William Detweiler, Douglassville R.D., about 100 feet from the Pennsylvania railroad crossing at Monocacy. The coroner's report said he had died from strangulation several days before by a belt that was wrapped so tightly around his neck that two vertebrae were broken.

Since no wallet, papers or valuables were found on his body, robbery was set as the motive.

Johnson was arrested 11 hours after the body's discovery by Pottstown Patrolmen Paul Bridgeman and Stanley Borow outside a High street taproom there and was turned over to Berks county authorities.

Berks county detectives said Johnson had worked with Haney on a Reading railroad section gang in Monocacy for two weeks, and on June 16 had purchased a train ticket from Birdsboro to Pottstown.

The board accepted with thanks a \$353 donation from the Senior auxiliary, with which a microscope and projector were furnished for the School of Nursing.

It also formally thanked the Junior auxiliary for its work in providing funds for the new pediatric division.

WOMAN'S BODY FOUND AFTER 2-DAY SEARCH

Mrs. S. Tamar Lessig, 81, Apparently Lost, Dies by Drowning in Reading Pool

The tragic end of a two-day search came yesterday afternoon when the body of Mrs. S. Tamar (Riegner) Lessig, 81, was found in a pool at Schlegel park, Lancaster road, Reading.

The woman, widow of Hilary M. Lessig, was found floating in water two feet deep, with about two feet of mud at the bottom of the pool.

Dr. Paul D. Good, Berks county coroner, said that Mrs. Lessig apparently had stepped into the water and mud while wandering, bewildered, seeking her way home.

According to testimony furnished to State police, she had last been seen at about 3 o'clock Sunday morning in the park area, after vainly seeking aid in her confusion, and it was believed that she fell into the pool at that time.

Mrs. Lessig had disappeared from the home of her son-in-law and daughter, Dr. and Mrs. Edward C. Edgerton, Wyomissing, about 12:30 o'clock Saturday afternoon. She had divided her time between the house of Dr. Edgerton and that of Mr. and Mrs. George L. Harberger, 641 King street.

Dr. Good has issued a certificate of accidental death and the body has been released to an undertaking establishment at 112 North Washington street, this borough. Funeral arrangements will be announced later.

Born in Pottstown, July 17, 1866, she was a daughter of the late Abrahams and Sarah (Weidner) Riegner. Her husband, active in business and civic circles of the community for many years, died on Dec. 9, 1934. They were married in 1891. For many years they resided at 500 North Franklin street.

She is survived by the following children: Ruth, wife of William O. Whitney, Evanston, Ill.; Edith, wife of Dr. Edward C. Edgerton, Wyomissing; Dr. D. Kepner Lessig, Reading; and Anne, wife of George L. Harberger, 641 King street; also four grandchildren: Ruth Easton Whitney, McCoy, Bolivia, N.Y.; Daniel and Sally Lessig, of Reading; Anne Edgerton, Wyomissing.

JURY SELECTED IN BALLE'S TRIAL

Ex-Academy Headmaster To Make Third Defense Against Rape Charge

WEST CHESTER, Sept. 15 — In a brief opening session which saw a jury list of 55 names exhausted in the selection of 11 jurors, the third trial of George W. Balles Jr., former headmaster of Warmistern academy, on charges of statutory rape began today in the Chester county courthouse, West Chester.

The defense of the scholarly-looking ministers' son was in the hands of Fred T. Cadmus III, young Pugh-town attorney, who was admitted to the Chester county bar less than a month ago.

Balles was arrested Jan. 12, 1946, when he was found in a car parked on a lonely road near Ambler with an 11-year-old girl pupil from his academy.

Following an investigation, he was tried on 35 charges in the Montgomery county courthouse, being acquitted of some of the charges and found guilty on others.

The State Superior court granted Balles a new trial and a change of venue and he was tried for the second time the past May in the Chester county courthouse. The three-day trial resulted in a hung jury, 11 jurors voting for conviction and one for acquittal. Granted a new trial, Balles was refused a change of venue.

Today's brief session ended at 1 o'clock when, from a list of 55 prospective jurors, the Commonwealth and the defense could find

Soviets Double Veto Balkans Issue

LAKE SUCCESS, Sept. 15 (AP)—Russia invoked the big power veto twice tonight to block United States efforts to shift the Balkan problem to the 55-member United Nations assembly but the way for assembly action was cleared by another American move which was approved despite Soviet opposition.

The final Security council action on the Balkan question was to strike the controversial issue from its agenda after a bitter 5 1/2-hour session in which the delegates became involved

The United States had put up a strenuous fight to take the case to the assembly without removing it from the council's agenda. This would have permitted continuation of the subsidiary watch group of the Balkan investigating commission—the U.N.'s only direct link with the Balkan situation.

This plan, however, was vetoed. Herschel V. Johnson, deputy U. S. delegate, then took the only step left and proposed that the council

Nation's Prices Go Higher; Grocers See No Relief Here

A survey of retail grocers around Pottstown yesterday showed that the record high prices established by the end of the past week held firm, with no decrease in sight.

"It's hard to tell on a Monday what prices will do," one retailer remarked, "but I can't see any price recession for a while."

The only form of "buyers' strike" to be found was in the form of resistance to fantastic high prices by those who found their way out of their financial reach.

"I try to buy eggs in the country," a small retail store owner said, "and sell them at a little lower price than some of the other stores."

A shopkeeper pointed out the great variety in quality among competing brands, as well as the advantage chain stores had by buying in greater bulk, as among the reasons for price fluctuations among Pottstown stores at a given time.

Butter in most places remained at 90-95 cents a pound, eggs at (Continued on Page Six)

Formal Peace Comes to Italy

PARIS, Sept. 15 (AP)—The victor-ous Allies made formal peace tonight with five European nations whose destinies to hitch their wagons to Adolf Hitler's star brought only the ignominy of defeat.

At ceremonies in Moscow's Kremlin and the French foreign office in Paris, treaties were formally deposited for Italy, Hungary, Romania, Bulgaria and Finland in the waning days of the war started by Nazi legions eight years ago.

Italy received a truce for 20 years of fascism when four thick, red-bound treaties were deposited in a five-minute ceremony at 11 a. m.

British Sell Gold To U. S. to Purchase Necessary Supplies

LONDON, Sept. 15 (AP)—Britain sold \$200,000,000 worth of her "last ditch" gold reserves today to buy vitally-needed supplies in the United States.

The dip into the Bank of England's basic bullion reserve—the first since before the outbreak of war in 1939—was announced by the British treasury as U. S. Treasury Secretary John W. Snyder told a news conference that emergency help for war-damaged Europe may be necessary before the Marshall plan to aid Europe begins.

The gold, part of the nation's estimated 600,000,000 pounds (\$2,400,000,000) reserve, was sold to the Federal Reserve bank of New York, the Treasury announcement said. A Treasury source said it would be used to meet "general commitments," mostly for purchases in the United States.

In Washington, U. S. Treasury officials said the decision to sell the gold was made by the British themselves, with U. S. taking no part. They pointed out that the U. S. was accepting the metal under terms of a 13-year-old offer to buy all gold presented by other countries or their central banks at \$35 an ounce delivered in the U. S.—less a "very small" handling charge.

(The Federal Reserve, these officials said, acts merely as a buying agent for the U. S. Government, which will add the British gold to its present holdings of \$21,814,940,000, about one-fifth the world's stock of monetary gold).

President Truman, these officials said, acts merely as a buying agent for the U. S. Government, which will add the British gold to its present holdings of \$21,814,940,000, about one-fifth the world's stock of monetary gold).

President Sees Display Of Missouri's Power

ABOARD THE U.S.S. MISSOURI WITH PRESIDENT TRUMAN, Sept. 15 (AP)—One-time artilleryman Harry S. Truman watched a firing demonstration of this battleship's 16-inch guns today and called it "some show."

The President, a battery commander in the 129th Field Artillery in World War I, stood with his family on the open bridge as a dozen rounds were "fired" in five roaring salvos from the No. 1 turret of the main battery.

Through binoculars Mr. and Mrs. Truman and their daughter Margaret followed the arching flight of the shells until they dropped, on target, 35,000 yards off the starboard beam of the "Mighty Mo."

Margaret acknowledged that she didn't like the noise, though she called the performance good.

"It shook me all over," she said.

Taft Urges U. N. To Revise Charter, Halt Aggressors

LOS ANGELES, Sept. 15 (AP)—Confronted with a crisis in Greece, the United Nations must quickly revise its charter to define aggression—and take action against aggressors—Senator Taft (R-Ohio) told a news conference today.

"Some international law must be written, and immediately," Taft said.

"They have gone about this thing completely backward. They created a police force first, before they had any law for it to enforce," Taft called for limitation on the use of the veto in the Security Council, and said, "If the United States is going to submit its basic rights to international action, that action has to be based on judicial procedure."

In one of the strongest criticisms yet leveled against the United Nations, the Ohio senator said the Security Council was not a judiciary body.

"It operates on a basis of simply doing what it considers best for peace and security."

"On that theory, you might, for example, call for wiping out entirely all of Poland and the Polish people on the ground that they threaten peace. I say that you have to have a law to define aggression and what constitutes a threat to peace, and decide these questions in terms of law."

Taft said he would then favor elimination of the veto right, but until then, he declared, "We're not going to submit our basic rights to a majority vote."

The senator came to Los Angeles on the second leg of a Western tour which, he said, may permit him to decide whether to run for President in 1948.

OFFICIALS URGE EAT LESS POLICY TO AID EUROPE

Senator Brewster Asks Food Exports Be Cut To Halt Price Jumps

WASHINGTON, Sept. 15 (AP)—Two administration officials called on Americans today to eat less in order to help feed Europe, but Senator Brewster (R-Me) urged that food shipments be cut back to check the high cost of living at home.

Brewster agreed with the others, Secretary of Commerce Averell Harriman and Undersecretary of Agriculture Norris E. Dodd, that there should be voluntary food rationing. This declaration pointed up sharply the continuing opposition of the Arab countries to a partition of the Holy Land, one of the proposed solutions of the Palestine puzzle on which the assembly must act.

The assembly will convene tomorrow at 11 a. m. in the elaborately decorated hall at Flushing Meadow park.

14-Year-Old Charged With Kidnap-Murder

HARRISON, N. J., Sept. 15 (AP)—A murder complaint was filed against 14-year-old Fred Walter Smigelski today, a few hours after the sullen youth calmly had re-enacted for police the kidnap-slaying of his 13-year-old pal in an abandoned warehouse.

Detective Captain Arthur Ford signed the formal charge against the Newark boy who last night signed a confession for the FBI admitting he strangled John Pres-on Jr., of Kearny with a leather belt to prove to himself that he was "no sissy."

The FBI said Smigelski said he wanted to show he was superior because his mother made him wash dishes.

NEW ALBANY, Ind., Sept. 15 (AP)—Speaking of high prices—A. W. Burkett, 47, of Xenia, Ill., paid \$19 today for a two-inch minnow. Jesse Stockdale ruled Burkett had seized it against the law, and fined Burkett \$19.

U. S. Troops Leave Morgan Line; Tito Forces Disregard Schedule

TRIESTE, Tuesday, Sept. 16 (AP)—Military government headquarters announced early today that withdrawal of U. S. 8th Division troops from the Morgan line in Venezia Giulia to the new provisional Italo-Yugoslav frontier had been completed without incident, although Premier Marshal Tito's forces moved up to the Yugoslav border of the Free Trieste territory 10 hours ahead of the previously-agreed schedule.

An American general described the early movement of the Yugoslavs as "a hot curve" by which Tito's officers "apparently meant to confuse us."

Evacuation of Pola by British troops began late last night and was continuing this morning.

Major Gen. Bryant E. Moore, commander of the U. S. 83rd Division, who termed the hastily-announced Yugoslav maneuver a "hot curve," said in an interview, however, his troops had "been prepared" and that as soon as he was notified of the change of plan he "got on our communications network and ordered my troops to retire."

Driver Training Expert To Speak to Kiwanians

Professor Amos E. Neyhart, of Pennsylvania State college, will speak before the Kiwanis club tonight on "Driver Training Education in Our High Schools."

Professor Neyhart, who has been a pioneer in this work since 1936,

will be introduced by O. C. Beacraft, manager of the Pottstown Automobile club.

Among the guests of the club at the meeting, which was arranged by William P. Lamb Jr., will be William P. Lamb Sr., president of the automobile club, and the Pottstown school board.

The group will meet in the Elks' home at 6:15 o'clock.

New Jersey Driver Seriously Hurt in Motorcycle Upset

A motorcyclist Harry Hanley Jr., Millville, N. J., was injured seriously at 1:30 o'clock yesterday morning when his cycle swerved across the road and upset.

The accident occurred about three miles west of Pottstown on Route 422 while Hanley was traveling west. His motorcycle is believed to have gone out of control when he struck the raised strip in the center of the highway. It crumpled over the highway to the left side of the road and upset.

Hanley, who suffered a possible fractured skull and abrasions of the face, was taken to the Pottstown hospital in a Good Will ambulance driven by Elinor Klink.

Dr. R. K. Glocker, Pottstown physician, said 12 hours later that Hanley still had not regained full consciousness and was in a "serious" condition.

"He should make a good recovery," the doctor added, pointing out that the head injury and the abrasions of the face were the only injuries suffered by Hanley in the accident.

Pitt Stanley Kramer of the West Reading State police barracks investigated the accident.

District Officers to Visit Lions Clubmen Tonight

The Pottstown Lions club will play host to its district officials when it meets at the Halfway House for a clam bake at 6:45 o'clock tonight.

The second of ten 100 percent weeks, the meeting will be attended by John Solisday, district governor, Richard Starnam, deputy district governor, Ralph Johnson, zone chairman, and Charles Fry, extension committeeman.

Chest Group Studies Financial Reports

At a preliminary meeting of the budget committee of the Pottstown Community Chest yesterday, financial reports were reviewed and it was announced two more members will be named to the group by Victor J. Roberts, president of the Chest.

Roberts said it was essential that the campaign provide all health and welfare services desired by residents of Pottstown. Budget committee members said their job would be to review carefully all budgets in order to bring a well-rounded program before the public.

From last year's campaign, the 11 agencies of the Chest received \$67,000.

The meeting was held in the Chamber of Commerce office with Arthur K. Switzer, budget chairman, presiding. Others attending included Mrs. Frank Anderson, Stanley J. Davenport Jr., W. T. Covey, Evan B. Lloyd and Ralph H. Spare.

It also was announced that representatives of the Chest will meet with five other welfare organizations at noon today in Howard Johnson's restaurant to work out a plan to co-ordinate services, especially in rural communities such as Upper and Lower Frederick and New Hanover townships. The other welfare groups include the Upper Perkiomen Valley Community Chest, Family Welfare society, American Red Cross, Visiting Nurse association and the Department of Public Assistance.

Firemen to Attend Advanced School

An advanced school for further instruction of 36 firemen graduates of the Pottstown Fire school, sponsored by the Pottstown Fire department, will open sessions late this month, according to Fire Chief Richard E. Luncaster.

The instructors will be Paul H. Moege and his son, Russell Moege, of Reading, who were teachers in the recent fire school.

Students for study in the new course will deal mostly with operation of apparatus. Luncaster said the Pottstown fire department now has equipment of the most modern

Health Officer Receives Complaint on Stray Dog

Complaint was registered with Health Officer Benjamin C. Steele at borough hall yesterday afternoon concerning a stray dog that has been making its home on Cherry street, west of Mr. Vernon, for the past three weeks.

The animal is charged with "roving" in garbage cans thereby creating a nuisance.

The case was referred to Dog Catcher LeRoy Fritz, Farmington avenue.

The type and the firemen must become acquainted with its use and operation.

The House that Jack Built

The "house" is a new central office building.

The "Jack," of course, is the money supplied by investors . . . not the money that you pay for telephone service, for we use that money to pay such operating expenses as wages, taxes, heat, and light; but the money that thousands of people in all walks of life invest in the telephone business.

The "Jack" is the money supplied by investors . . . the money, in short, which enables us to expend and to make the continual improvements that bring you the best possible telephone service at the lowest possible cost.

We pay for this money, of course . . . and those who supply it naturally expect us to keep it safe and to make it earn a reasonable return.

Rueger, 259 North Hanover street; Daniel W. of 472 North Evans street; George W. of 354 North Hanover street; Earl W. of 18 West Third street, and Mrs. Mary Rueger Foreman, of 339 Laurel street.

Mrs. Lessig was graduated from Pottstown High school with the Class of 1894, and she taught in the Pottstown public schools up to the time of her marriage in 1891. She was a member of the Emmanuel Lutheran church and Sunday school since childhood and taught in the Sunday school for about 50 years.

Up to three years ago, she taught in the Primary department. She was a member of various church organizations and was active in affairs of the Mothers class of the Sunday school.

She was a member of the Eastern Star chapter, the Century club, and president of the Senior auxiliary of Memorial hospital, which she was largely instrumental in organizing. She was second vice president of the Needlework Guild; second vice-president of the King's Daughters, and an honorary member of the board of trustees, Memorial hospital.

The disappearance of Mrs. Lessig Saturday afternoon created a wide-spread search by State police of the West Reading station and police of Reading and Norristown.

The Schlegel park pool is about two miles from the Edgerton home in Wyomissing and it was apparent she had wandered for hours.

Coroner Good said that Mrs. Lessig apparently was unable to escape from the mud and water when she stepped into the pool, probably in the darkness of night.

only 11 jurors — all men — to serve.

In the selection of the jury, the defense used 17 of its 20 peremptory challenges to dismiss veniremen, while the Commonwealth used only three. The remainder of the persons on the list were dismissed for cause.

Nathan M. Rhoads, a farmer of East Marlboro township, near Kennett Square, was the first man called for jury duty. He was accepted by both the defense and the Commonwealth and was designated foreman.

Judge Ernest Harvey directed Sheriff E. Webb Crosson to summon 30 additional jurors to be in court tomorrow at 10 o'clock. One additional juror and two alternates will be selected from this group.

Committee to Open Keim Curbing Bids

Bids for construction of curbing on certain sections of Keim street, mostly between Beech and Mervine streets, will be opened by the highway committee of borough council at a meeting scheduled for tomorrow night at borough hall.

Borough Manager Dow I. Sears said that approximately 1500 feet of curbing remain to be laid, mostly on the east side of the street. The Hill School has completed laying of curbing on its land fronting on Keim street.

At a recent meeting of borough council, it was reported that the State highway department plans to improve Keim street when the laying of curbing is completed. District Engineer D. C. Stackpole was quoted to that effect.

Members of the Highway committee are Gerald J. Daly, chairman; William Romich, William Bernhart, Leon Dearolf and Elmer Pegley.

WATER COMPANY —

ing of any of the stock now held by the Security Trust company under any agreement or in any manner to any party or person other than the borough.

In addition, a mandatory injunction commanding the stockholders' committee and the Security Trust company to turn over 12,500 shares of the water company stock to the borough on receipt of \$1,245,000 and to post a \$206,166.64 bond of indemnity was requested of the court.

The bond, which is subject to correction as of the settlement date, is to indemnify the borough from any and all liability for taxes on other claims which may be levied against the assets of the water company after it has been acquired by the borough.

It was pointed out in the bill that when the borough's offer was refused last Wednesday, the syndicate which bid on the bond issue floated by the borough extended the delivery date until noon on Friday. If the bonds are not delivered at that time, the offer and bid will be withdrawn.

The loss to the borough in this event would consist of the expenses of the bond sale, a higher interest rate on any resale of bonds, loss of profit to be derived from the operation of the company since last Wednesday, and the loss of service, convenience and utility of public ownership and operation, it was explained.

Two newly-elected members of the Pottstown Civil Service commission were sworn in at borough hall last night by Burgess William A. Griffith. They are S. Leonard Miller, of the Auchenbach apartment, who will fill the unexpired term of the late Clarence A. High which expires July 22, 1949, and Herbert S. Myers, of 1071 South street, who was elected for a full term which expires July 22, 1953.

The commission reorganized, with the election of Myers as president; Miller, vice president, and George H. Saylor, secretary.

Clues Lacking in Theft Of Purses From Home

Police held no clues yesterday to the identity of a sneak thief who walked into the rear of the home of Mrs. Agnes Kuroi, 204 River road, South Pottstown, late Saturday night and stole two pocketbooks which were lying on a dining room table.

One of the purses contained \$6 and the other \$1.50. It is believed the theft was committed between 11 p. m. and midnight Saturday.

Officer Daniel W. Gulam of North Coventry township is investigating.

Today's vetoes ran Russia's string in the security council to 20 on the eve of the 1947 assembly sessions in New York which will be concerned with both the veto and Balkan problems.

The original American proposal was that the council send the assembly a specific request for recommendations on the Balkan question.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store—SSS Tonic helps Build Sturdy Health.

Husband and Wife Win Archery Prizes In Easton Tourney

Two Boyertown archery enthusiasts "brought home the bacon" when the wife won the Eastern City Club championship for women and the husband finished second in the men's division of the same match at Easton on Sunday.

They are Mr. and Mrs. Arthur P. Leibenberger, 20 North Chestnut street, who seem to make taking top positions in archery matches a family affair.

Mrs. Leibenberger was high scorer in the women's division at Easton with a total of 1049 points in the Double Columbia round, a single Columbia being shot in the morning and another Sunday afternoon. Leibenberger shot 134 in the men's division to take his second place. She received a gold pin for the victory and he got a silver pin.

Mrs. Leibenberger was also high scorer in the women's division of the Bethlehem City Club championship match on September 7, when she shot six golds at 40 yards in the double American meet. This was an even more difficult feat than the perfect end at 30 yards for six golds which she shot last month when she won the women's metropolitan shoot of the Muni Archery conference in Philadelphia, N.J. Leibenberger did not participate in the Bethlehem meet.

Man Summoned Anew After Charges Dropped

Francis E. Brady, of Philadelphia, appeared before Justice of the Peace Earl H. Keim, 133 North Walnut street, last night on charges of operating a vehicle without a registration plate on July 17, 1947, but charges were dropped on a technicality.

Keim, after dismissing the case, immediately rearrested Brady on charges of failure to have proper addresses shown on his operator's and driver's cards. A summons on this count will be mailed to him by Keim. Brady's motor registration and operator's license cards gave his address as Box 113, Boyertown, but Brady said last night that his legal address was 170 North 60th street, Philadelphia. Patrolman Nathan S. Fegley is prosecutor on the new charge.

STORM DAMAGE —

(Continued From Page One)

they all were corrected quickly. A transmitter line at Water and Washington streets was struck, sending off a bright flash of red light in the area. Damage was limited to a ruined insulator and there was no general breakdown of service.

The Douglassville area was without electric power from 11 a. m. until 12:30 p. m. after a transformer on Schuylkill road was hit by a bolt of lightning. Lightning touched off a fire in the home of Mr. and Mrs. Harvey Rushong, Hoffmansville, at 12:25 p. m. yesterday. It was confined to the upper floor, and burned out an electric box, and ruined a bed, bed clothing, carpet, floor molding, wallpaper, and clothing in a closet. Mrs. Rushong, who was alone in the house, extinguished the blaze with water, but noticed that the walls were still warm, asked a neighbor to call the Douglassville Fire company. The firemen ripped out a wall, but found no trace of lingering flames.

John Steininger, who phoned the firemen for Mrs. Rushong, had to go to Sassamansville to put in the call.

A man was hit by lightning when he was repairing a car, but suffered only a bad headache as a result. George Mehler, whose garage is on Route 100, one-quarter mile above Halfway House, was stunned, and John Patten, Pottstown RD 3, on whose car he was working, carried the mechanic into a room beside the garage and laid him upon a couch. He recovered within a few minutes.

The home of Mr. and Mrs. John Selfinger, 505 Race street, Stowe, was damaged when lightning hit. The bolt went through the roof, into their daughter's bedroom, knocking a screen partly out, and broke a light bulb. It also knocked a radio aerial from the roof.

No one was hurt, although a son-in-law, Peter Chuck, came near being hit by the same bolt in its course through the house.

He was in the cellar, filling mortar around a window. He had his hand on an iron wire press as the bolt entered the house and was unable to release his hold. For several minutes afterward Chuck was unable to straighten his fingers.

The same streak of lightning hit two adjoining houses in Linfield at 12:30 p. m.

It damaged the chimney and tore two large holes in the roof of the home of Mr. and Mrs. Howard A. Miller Sr., and then struck the side of the house of Mr. and Mrs. Tref-fer, knocking loose several bricks.

The storm also struck hard in the Boyertown area.

Hit by a bolt at 12:45 p. m. was the home of Mr. and Mrs. Isaac S. Henry New Berlinville, where damage amounted to more than \$250 was done when the chimney was struck.

The lightning struck the 2-foot chimney, knocking off about two feet of its height and causing a slate pipe to crash through the roof. The bottom of the cornice also was ripped loose.

About 30 bricks were scattered in the Henry yard as a result of the lightning. Lamps were knocked from a cherry tree. The bolt followed electric wires to the back porch and then burned out a socket inside. The spouting also was damaged.

The storm also struck hard in the Boyertown area.

Hit by a bolt at 12:45 p. m. was the home of Mr. and Mrs. Isaac S. Henry New Berlinville, where damage amounted to more than \$250 was done when the chimney was struck.

The lightning struck the 2-foot chimney, knocking off about two feet of its height and causing a slate pipe to crash through the roof. The bottom of the cornice also was ripped loose.

About 30 bricks were scattered in the Henry yard as a result of the lightning. Lamps were knocked from a cherry tree. The bolt followed electric wires to the back porch and then burned out a socket inside. The spouting also was damaged.

they all were corrected quickly. A transmitter line at Water and Washington streets was struck, sending off a bright flash of red light in the area. Damage was limited to a ruined insulator and there was no general breakdown of service.

The Douglassville area was without electric power from 11 a. m. until 12:30 p. m. after a transformer on Schuylkill road was hit by a bolt of lightning. Lightning touched off a fire in the home of Mr. and Mrs. Harvey Rushong, Hoffmansville, at 12:25 p. m. yesterday. It was confined to the upper floor, and burned out an electric box, and ruined a bed, bed clothing, carpet, floor molding, wallpaper, and clothing in a closet. Mrs. Rushong, who was alone in the house, extinguished the blaze with water, but noticed that the walls were still warm, asked a neighbor to call the Douglassville Fire company. The firemen ripped out a wall, but found no trace of lingering flames.

John Steininger, who phoned the firemen for Mrs. Rushong, had to go to Sassamansville to put in the call.

A man was hit by lightning when he was repairing a car, but suffered only a bad headache as a result. George Mehler, whose garage is on Route 100, one-quarter mile above Halfway House, was stunned, and John Patten, Pottstown RD 3, on whose car he was working, carried the mechanic into a room beside the garage and laid him upon a couch. He recovered within a few minutes.

The home of Mr. and Mrs. John Selfinger, 505 Race street, Stowe, was damaged when lightning hit. The bolt went through the roof, into their daughter's bedroom, knocking a screen partly out, and broke a light bulb. It also knocked a radio aerial from the roof.

No one was hurt, although a son-in-law, Peter Chuck, came near being hit by the same bolt in its course through the house.

He was in the cellar, filling mortar around a window. He had his hand on an iron wire press as the bolt entered the house and was unable to release his hold. For several minutes afterward Chuck was unable to straighten his fingers.

The same streak of lightning hit two adjoining houses in Linfield at 12:30 p. m.

It damaged the chimney and tore two large holes in the roof of the home of Mr. and Mrs. Howard A. Miller Sr., and then struck the side of the house of Mr. and Mrs. Tref-fer, knocking loose several bricks.

Girl Scout Council Meets Outdoors At Sweitzer Home

Mrs. Arthur Sweitzer, 196 North Evans street, entertained the members of the Pottstown Girl Scout Council at a picnic supper last night at her home.

The resignation of Miss Edna Hart, commissioner was respectfully accepted and Mrs. Ralph H. Spaul Jr. was named to fill that office.

Plans for Girl Scout Week which starts Oct. 25 were discussed, and it was suggested that a parent with all the troops participating would be held.

Three assistant leaders were approved by the council. The leaders are Miss Janet Wolfe, Troop 1, and Miss Inanna Radcliffe, and Mrs. Kenneth Buchert, of Troop 20.

It was announced that a Senior Scout Conference will be held in Allentown, Sept. 27 at which time Mrs. Eleanor Harley Bittle will attend as a delegate.

Miss Mildred Geist, leader of troop 4, and Mrs. Verna Reese, leader of troop 20, described their trip to Camp Edith Macy, Pleasantville, N. Y. this summer.

The council hopes to have Mrs. Jessamine Sibley of the National Girl Scout council return to Pottstown to give a training course sometime in January. Also discussed was the National Girl Scout convention Nov. 4 at Long Beach, Calif.

Present at the meeting were Mrs. Frank Wampler, Mrs. Henry Schneider, Mrs. Russell Shelly, Mrs. Paul Hoffman, Mrs. Dorothy Vohm, Miss Helen Purnell, Miss Hazel Sotter, Mrs. Harry Guest, Mrs. C. S. Stauffer, Mrs. Dorothy Taylor, Miss LaRue Bickel and Mrs. William Walker.

night and said she had run away from home, was taken to her home last night by her mother, Mrs. William Craver, who had been called by the police.

This is the second time the girl has disappeared from her home recently. The girl told police she wanted to see some of the country.

She was placed in the women's apartment in the basement pending her mother's arrival.

Oakie urges knee pants
Carson shows off ankles

HOLLYWOOD ACTORS Jack Oakie and Jack Carson favor hiked-up trousers for men in defense against women's skirts getting longer. "If men start parading their gams," says Oakie, "the gals will scamper back to shorter skirts in self defense." (International)

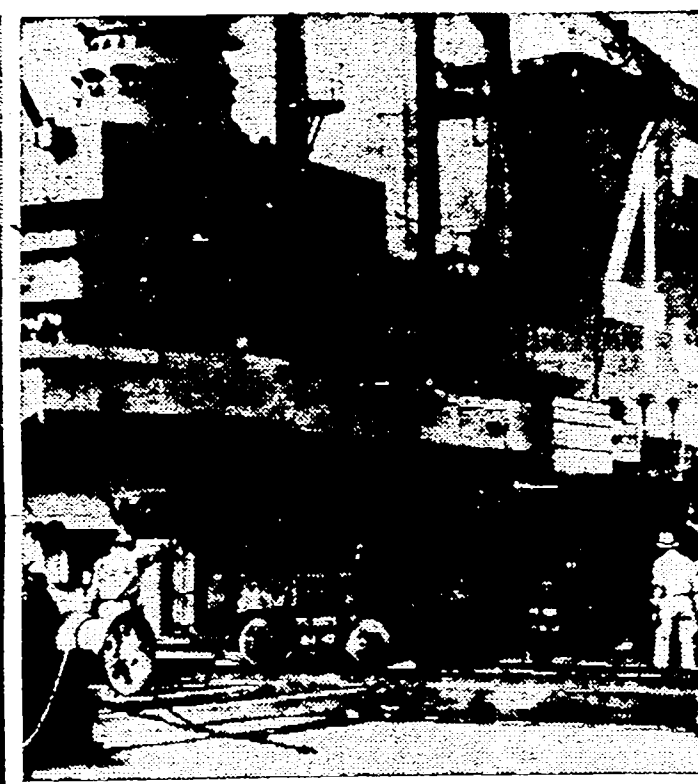

WHILE WASHINGTON political circles were carefully watching the beginning of what may become an Eisenhower-for-President boom, Gen. Dwight D. Eisenhower, with his wife, makes a visit to Columbia University, New York, where he will soon take over as "prexy." Here he is shown in front of the famous Alma Mater statue. (International)

NEWCOMER — Nancy Saunders, (above) a new face in the movies, poses in an off-the-shoulder dress.

HERE'S THE LATEST PICTURE of the quintuplets from Argentina, the Diligentis, who recently turned four. The youngsters, who just recovered from five sets of measles (one each), are fun-loving, perfectly normal children in every way. Posing for the cameraman at their home in Belgrano, a suburb of Buenos Aires, they are (l. to r.): Carlos Alberto, Maria Esther, Maria Fernanda, Maria Christina and Franco. (International)

INCLINE AND SALLYING tests are made aboard the Coral Sea, which is near completion at Newport News, Va., and will be commissioned Oct. 1. The giant carrier is one of the three largest in the world. In the above picture two cars, loaded with several tons of ingots, are winched to starboard and port to show the list of the vessel.

IDENTICAL TWIN OFFICERS—Sgt. Warren Doonan, (left) of the Chicago police department is taking over the job his brother, Sgt. Chester Doonan, (right) has had for 12 years. The officers are identical twins.

AFTER GENERAL OF THE ARMY DWIGHT D. EISENHOWER (second from left) had presented the Medal for Merit to Herbert Bayard Swope (right), in a ceremony at the War Department in Washington, James F. Byrnes (left), former U. S. Secretary of State indulges in a bit of good-natured ribbing. Looking on is Bernard M. Baruch, Swope, a journalist and policy consultant, was honored for his wartime services. (International)

LANCASTER LIVESTOCK—Lancaster, Sept. 15 (AP)—Cattle 3204, bidding lower on steers, others about steady. Calves 715, market 50 cents lower, with best 72 cents. Hogs 912, market steady at 31 cents. Sheep 301 market 30 cents to 31 lower, choice animals \$25.50.

A JERSEY REFUGEE presses his clothes at Poppendorf internment camp near Lubeck, Germany, shortly after his arrival with a number of other refugees from Hamburg. He was but one of hundreds seized by the British while trying to enter Palestine illegally. They were packed aboard three British vessels and shipped posthaste to Germany. In the background are quonset huts which house the camp inmates. (International)

FAT BABY CHAMPS—Janet Walters, (left) 10 months and 29 pounds, won the 6-12 months' fat baby contest, and Kevin Carlson, 14 months and 34 pounds, in the 12-24 months' class at the annual Miscella, N. Y., fair.

George L. Major Elected Commander Of American Legion

Annual election of officers and plans for a concerted membership drive highlighted a monthly meeting of Capt. Harris Buckwalter American Legion post, Royersford, last night.

George L. Major, 309 Spring street, veteran of World War II, was elected post commander, succeeding Ronald L. Keyser, also a World War II vet, who served in the Army.

Named senior vice-commander was Carl H. Hagstrom, 343 Walnut street. Edmund Hart, R.D. 1, was elected junior vice-commander. Both are veterans of the second World War.

Adjutant Charles F. Thompson and Finance Officer Ralph H. Landes both were re-elected, as was Earle Erb, chaplain. James Sattin was named welfare and service officer. J. Morris Peterson was elected historian and publicity officer and Paul Yerk was chosen sergeant-at-arms.

The following executive committee was elected: Peterman, Raymond Hunsberger, Douglas M. Blum, John Miller and William Randall.

Hunsberger was named chairman of a membership committee, with instructions to mail applications to every war veteran of Royersford and surrounding territory, and to follow up the applications with personal calls.

The Home association of the post met after the meeting and elected these officers: Major, president; Hagstrom, vice president; Thompson, secretary, and Landes, treasurer.

200 at Convention Of Sunday Schools; Officers Elected

Upward of 200 delegates, representing 38 Sunday schools, attended the North district Sabbath School association convention at Bethel Methodist church, near Spring City, Saturday.

The afternoon session opened with a song and prayer service by Jesse Zerr, Ananias, at song leader. Zerr also rendered various numbers during the afternoon and evening sessions.

The afternoon devotion was in charge of the Rev. Philip Worth, pastor of Bethel church. James Meyer, superintendent of the host church school, gave the address of welcome. A report was given by the Rev. A. S. Alderfer, William A. MacDade and William A. Weber on the International Sunday school convention, held at Des Moines, Iowa, which was attended by delegates from all over the world.

The main address in the afternoon was given by the Rev. William E. Horner, Buffalo, N. Y., who spoke on the needs of the Sunday school being alert to the times. A banquet was served on the host church in the basement, preceding the night meeting.

Devotions were in charge of the Rev. Garnet O. Adams, pastor of Spring City First Evangelical and Reformed church. The Rev. Horner

DeSoto

"Best car I ever owned, regardless of Price"

 gyrol Fluid Drive with Tip Toe Hydraulic Shift enables you to drive all day without using clutch or gear shift lever. Touch the brake to stop... then step on the gas to go!	 Improved Brakes. With these Safe-Guard Hydraulic Brakes you'll enjoy smooth, straight-line stops with far less pedal pressure. Your linings will last longer, too.
 Safety-Rim Wheels. These hold tire and tube in place in case of a blow-out, even at high speed. They help you come to a safe, straight stop. A vital safety feature.	 Level Floating Ride. Long trips in a DeSoto will leave you fresh, and roughest roads will seem smooth, thanks to many new engineering developments which level out your ride.

*The overwhelming majority of new DeSoto owners made this statement in the latest nationwide poll. As the opinion of thousands, it adds up to one of the greatest tributes ever paid any car. See DeSoto and see for yourself.

It will pay you to give your present car good care. Skilled service may save you big repair bills later and increase your car's trade-in value. We have the equipment, trained mechanics and factory-engineered parts your car needs.
